

Dr. Meghanne Kruizenga, D.D.S., M.S.D.
PEDIATRIC DENTISTRY

Here at The Pass Pediatric Dental Group, we strive to provide you with the best dental health possible in an environment that is low stress and comfortable. As we update our website and Facebook, we are asking our current patients to share their experiences and photos with us. When new patients are looking for a dentist, they like to know what other patients have to say and how their experience was with us.

Thanks in advance for your willingness to contribute. See your photos on our Facebook at www.facebook.com/ThePassPediatricDentalGroup. Thank you for your time and consideration of this task. We appreciate and care about you!
